*ITF Circular No.: 113/D/2016*

Our ref: D/SJ/II

24 June 2016

Dear Comrades

### **International Day of Action for Dockers 7 July 2016**

Following the previous circular *105/D/2016* sent out on 7 June, I write to advise you that materials have been produced and are being translated. The English version of the briefing for Dockers, a leaflet aimed at the public and employers and placard you can use has been uploaded today to [www.defenddockersrights.org](http://www.defenddockersrights.org)

French, Spanish and German versions will be uploaded early next week as soon as they are ready.

A banner design that you can add your own logo to and use in your activities will also be added soon.

Please use these materials to support your activity on 7 July. Please also keep checking this page for updates.

Don't forget whatever you're planning tell us about it and share as many pictures and video clips on [Facebook](https://www.facebook.com/ITFglobalunion) and on twitter @ITFglobalunion @ETFdockers @IDCdockers and use the hashtag #DefendDockersRights. We want to send a loud and clear message that dockers are fighting back!

Yours in solidarity
